## Religious Exemption

New Jersey Statutes 26:1A-9.1 Exemption for pupils from mandatory immunization; interference with religious rights.

Dear School Nurse and Administration:

Date: \_\_\_\_\_

I, the Parent/Guardian of {**Print Child's Name**}: \_\_\_\_\_ desire to inform you that the New Jersey state-mandated immunization law interferes with the free exercise of my child's religious rights. Therefore, my child will not receive the following immunizations \_\_\_\_\_ at this time.

I understand that this exemption may be suspended by the State Commissioner of Health during an emergency as determined by the State Commissioner of Health. I also know that I may choose to have the required immunizations administered to my child later, making this Religious Exemption null and void. Still, I do have the right to submit another religious exemption letter in the future.
