

WELCOME TO **SOCCER SHOTS!**

Hello Parents,

We are proud to introduce Soccer Shots to Clayton. We are the premier soccer program across the nation for 2-8 year old children. Soccer Shots is an introduction to soccer with age appropriate games and skills taught in each class. We have secured an indoor location at the local Elks for the Winter and are excited to bring the program to Clayton. We offer classes in other areas around Gloucester County as well if Saturday mornings don't work for you.

All classes in Clayton are \$100 for 8 weeks and include a seasonal prize.
