SUBSCRIPTION BUSING REGISTRATION FORM FOR 2020-2021

August 18, 2020

Dear Parents/Guardians:

The Board of Education is pleased to reinstate Subscription Busing on a limited basis for the 2020-2021 school year for students who attend Herma S. Simmons Elementary School.

Parents/guardians of Elementary School students will have the opportunity to apply for subscription busing. We will be approving applications based on distance from school. Those who live furthest will receive priority. If you wish to apply, please complete the application and return it to us no later than August 28, 2020.

If your application is approved, you will be notified, and we will bill you \$2 per day per child. This per diem rate will be based on the number of days your child(ren) is/are scheduled to attend school based on the current plan.

Students will be picked up in their neighborhood at the bus stop determined by the Transportation Coordinator. If your application is approved, we will notify you and bus passes will be issued stating the pick up and drop off times and location. Students will be required to wear masks while on the bus and to sit in assigned seats.

If you have any questions, please Barbara Zanghi at 856-881-8700, extension 2417.

Sincerely yours,

Frances C. Adler
School Business Administrator/Board Secretary

I understand that the cost of subscription busing will be \$2.00 a day per child and may be adjusted depending upon the number of students registered in this program. I also understand that all payments are non-refundable, that the subscription busing program is a second run at the Elementary School level, and that the pick up and drop off times will be later than the first run students. I agree to pay the final cost of this service in full by June 18, 2020.
