## Sailing into Kindergarten

### Preschool Summer Reading 2018

Dear Preschool Families,

We are excited to announce the 2018 Summer Reading Program “Sailing into Kindergarten”. The summer months provides the perfect opportunity to extend and enrich your child’s reading experiences. Attached is a list of suggested books based on our theme. These books are not required reading just suggestions. We are asking students to complete the reading log and draw a picture of something from the book that they enjoyed. Many of the books on the list and others will be available at the Glassboro County Library. Summer reading clubs and programs are also available at the library. There will be prizes for students who turn in reading packets.

The following tips may be helpful for all parents/guardians:

- \*Encourage your child to select books that interest them.
- \* Whenever possible, children should read at least 10 minutes. Preschoolers can picture read.
- \*Read aloud to your child, even if they want to read independently.
- \* Read outside, inside or anywhere.
- \*Set aside a portion of the day as DEAR time- Drop Everything and Read.

# Herma Simmons Elementary School

- \* Encourage your child to read magazines, newspapers, or even the back of a cereal box!
- \* Ask your child questions about the book; who, what, where, why, when, and how
- \* Have Fun!
